

Dr. Bea Gallardo-Lacourt
Postdoctoral Researcher
NASA - GSFC
USRA
bea.gallardolacourt@nasa.gov
www.beagallardolacourt.com

Education

Ph.D. Atmospheric and Oceanic Sciences, 2016 – Atmospheric and Oceanic Sciences Department, UCLA

Advisors: Professor Larry R. Lyons & Dr. Yukitoshi Nishimura

M. Sc., 2012, Atmospheric and Oceanic Sciences, UCLA, USA

B. Eng., 2012, Engineering Physics, University of Santiago, Chile

B. Sc., 2008, Applied Physics, University of Santiago, Santiago, Chile

Awards and Fellowships

2021: NASA Science and Exploration Directorate—Diversity, Equity, and Inclusion Award as a member of the Equity Task Force and NGAPS DEI subcommittee

2020: Editor's citation for Excellence in Refereeing, Journal of Geophysical Research

2019: NASA Postdoctoral Program Fellowship

2019: NASA Group Achievement Award—STEVE team

2019: NASA Robert H. Goddard Exceptional Achievement for Science Award—STEVE Team

2016: UCLA Bosart Award: For Unselfish Service to Fellow Students

2015-2016: UCLA Dissertation Year Fellowship

2015: UCLA Morris Neiburger Award: For Excellence in Graduate Teaching

2014: Outstanding Student Paper Award, AGU Fall Meeting 2014

2014: First place student Poster Award on Ionosphere-Thermosphere, CEDAR workshop

2010: AGU Fall Meeting Student travel grant (Grad Student)

2009: AGU Fall Meeting Student travel grant (Undergraduate)

Experimental Experience

Magnetometer Installation

Installing two magnetometers of the SAMBA Project (South American Meridional B-field Array) in Antarctica bases Escudero and Bernardo O'Higgins. January 2013

Employment

Postdoctoral Researcher	NASA - Goddard Space Flight Center	May 2019 – Present
Postdoctoral Scholar	Department of Physics and Astronomy University of Calgary	March 2017 – April 2019
Postdoctoral Scholar	Department of Atmospheric and Oceanic Sciences UCLA	August 2016 – March 2017
Teaching Assistant	Department of Atmospheric and Oceanic Sciences UCLA	September 2014 – March 2014
Graduate Student Researcher	Department of Atmospheric and Oceanic Sciences UCLA	January 2011 – June 2016

Community and Volunteer Activities

January 2022-Present	Chair of the NSF funded Goespace Environment Modeling (GEM) Focus Group: The Nightside Transition Region
October 2021	Organizer of the NSF funded First STEVE (Strong Thermal Emission Velocity Enhancement) Workshop
April 2021	NSF proposal reviewer
June 2020 - Present	Magnetosphere and Aeronomy Editor for the American Geophysical Union (AGU) Books
June 2020	NASA Review Panel Participant
March 2020-Present	Associate Investigator of the PUNCH (Polarimeter to UNify the Corona and Heliosphere) NASA Mission
October 2019	NASA Review Panel Participant
January 2018 - Present	Member of the AGU Global Engagement Committee
August 2018 - Present	Reviewer for Geophysical Research Letters (GRL)
March 2015 - Present	Reviewer for Journal of Geophysical Research (JGR)

April 2017 – April 2019	Volunteer for Calgary Reads. Initiative which focuses on creating positive changes in literacy outcomes for children
June 2017	Poster Judge, Cedar Workshop 2017
June 2015 – June 2016	Vice President of Atmospheric and Oceanic Sciences Department student association (XEP), University of California, Los Angeles
August 2015 – March 2017	Member, Organization for Cultural Diversity in Science - UCLA The Organization for Cultural Diversity in Science strives to create a close-knit community among the graduate students in the sciences, with an emphasis in cultural diversity through the underrepresented groups at UCLA

Memberships

American Geophysical Union, 2008 - Present
Japan Geoscience Union, 2018 – Present
American Physical Society, 2021-Present

Selected Press Coverage

- [“Scientists Solve The Mystery of STEVE, And Find It’s So Much More Than An Aurora”](#)—Forbes Magazine, 2019
- [“Steve the odd ‘aurora’ revealed to be two sky shows in one”](#)—National Geographic, 2019
- [“It’s official: The Strange, Aurora-Like STEVE Is a Completely Unique Celestial Phenomenon”](#)—Space, 2019
- [“The aurora named STEVE is not an aurora”](#)—Nature, 2018
- [“The bright purple ribbon—named STEVE—is an entirely new celestial phenomenon”](#)—Science Magazine, 2018
- [“Scientists Are Puzzled By Mysterious Lights In The Sky. They Call Them STEVE”](#)—NPR, 2018
- [“STEVE the Aurora Isn’t An Aurora After All”](#)—Discover Magazine, 2018
- [“STEVE the Purple Beam of Light Is Not An Aurora After All”](#)—Smithsonian Magazine
- [“New Kind of Aurora Is Not An Aurora At All”](#)—AGU Newsroom, 2018

Diversity, Equity, and Inclusion activities

- Panelist at Diversity, Equity, and Inclusion from an International AGU Perspective: A Panel Discussion of a Global Issue from a non-US World View, December 2020
- Member of NASA Goddard—Heliophysics Division Equity Task Force, Since September 2020

- How did I get here? Invited talk at STEM para Todas, a workshop to motivate young Peruvian girls into STEM careers, Virtual Presentation, February 2020
